Taster Weekend No.1 Trinovante sails in her home waters on the Thames Estuary rivers, the Orwell, Stour, Colne and Blackwater plus some coastal sailing too. The focus is on learning as much as possible about sailing a schooner in a relaxed and friendly environment. Usually we spend the last night in the the historic old port of Harwich. Sea Miles 100	Sailing to and from Ipswich Dock	Fri 26 th April to Mon 29 th April 3 Nights	£440 £395
UK To Norway Offshore And Coastal Sailing The voyage that has everything. An exciting and potentially challenging offshore voyage followed by coastal day sailing among the fjords and islands along the magical Norwegian coast before arriving in the Art Nouveau City of Ålesund. Sea Miles 700	Ipswich To Ålesund	Sat 4th May to Sat 18th May 14 Nights	£1495 £1295
A Month In Arctic Norway The actual mileage from Trondheim to Bodø on this leg is only 290 miles. That means there is no schedule – we have a month to wander as we please. This part of the coast is stunning. If you love wilderness, catching a fish for dinner, sailing and life onboard this one is for you. Sea miles Not Applicable	Trondheim To Bodø	Wed 29th May to Wed 26th June 28 Nights	£3,295
Lofoten Sailing Norway Sail in the magical Norwegian Lofoten islands with some of the best scenery in the world. When we first saw Lofoten we sort of knew what to expect but it still took our breath away. After the 60 mile sail from Bodø the plan is to potter from harbour to harbour with time for a walk ashore in between and catching a fish for dinner. Sea Miles 180	Bodø To Bodø	Sun 30th June to Tues 9th July 9 Nights	£1350 £1250
Crossing The Arctic Circle Norway There are some fantastic places to visit on this leg. It is wild and grand in equal measure. You'll cross the Arctic Circle and maybe more than once as we explore small islands and deep fjords. One crew member described this area as the west coast of Scotland writ large but we think that does not do it justice. Sea Miles 300	Bodø To Trondheim	Sat 13th July to Fri 26th July 13 Nights	£1625 £1395
Fjords And Islands Norway This stretch of the Norwegian coast has more open water where the fjords are broad inside thousands off lying islands and skerries. Places we might visit include Kristiansund and Bud before we arrive in the very attractive city of Alesund. If you have time an extra day in either of the two cities at start and finish of this leg would be worthwhile. Sea Miles 160	Trondheim To Ålesund	Mon 29th July to Tues 6th Aug 8 Nights	£1160 £1050

Fjords And Islands Norway Starting in the coastal islands Trinovante will round the Stad headland and head into deep fjord land past Maloy before once again popping out into the islands and then back into fjords. You can't get more scenery in an 8 day leg. Sea Miles 160	Ålesund To Bergen	Sat 10th Aug To Sun 18th Aug 8 Nights	£1200 £1095
Norway to Scotland This voyage in the wake of the Vikings begins with the 200 mile crossing to Shetland. Maybe we will visit Fairisle on our way to Orkney. We've been hankering to go back to Shetland and Orkney for some time now so this is it! Sea Miles 350	Offshore And Coastal Sailing Bergen To Kirkwall	Thurs 22 nd Aug To Wed 4th Sept 13 Nights	£1560 £1295
Scotland To England Sailing south from Orkney we may call in at Wick, Fraserburgh or Eyemouth. Maybe we'll get close to the worlds largest northern gannet colony on Bass Rock or anchor off the Farne islands if the wind is in the right direction. Sea Miles 320	Offshore And Coastal Sailing Kirkwall To Whitby	Mon 9th Sept To Wed 18th Sept 9 Nights	£960 £825
UK Sailing As Trinovante sails past the cliffs from Whitby this voyage traces the old routes of the Collier Brigs heading south. This is a passage making leg so expect to be standing watches before we arrive in Trinovante's home waters on the Thames Estuary. Hopefully we will have time to do a little sailing in the East Coast rivers when we arrive. Sea Miles 210	Offshore And Coastal Sailing Whitby To Ipswich	Sat 21 st Sept To Fri 27 th Sept 6 Nights	£660 £565

What is included in these prices. All food and non alcoholic drinks onboard, use of life-jackets and wet weather gear.
